RE-PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Sir:

This is in response to the United States Patent and Trademark Office Decision on Petition mailed April 20, 2007 (copy enclosed), in which it was indicated that the Applicant has failed to demonstrate that the office communication was not received.

Attached hereto is a Declaration from the Applicant's representative, Bill Polkinghorn, of 9003 Florin Way, Upper Marlboro, Maryland. In his Declaration, Mr. Polkinghorn declares that all the mail he received from the USPTO, which was addressed to the undersigned, was personally packaged by him and forwarded by courier to Dr. Friedman at his Tel Aviv address.

Also attached is the Declaration of the undersigned, Dr. Mark M. Friedman, the attorney of record, in which he declares that he personally opens all the courier packages received from Mr. Bill Polkinghorn, and immediately records on his Hand Docketing Report all actions he receives from the USPTO. He declares, based on the Hand Docketing Report, that no such Office letter is recorded for the above-identified application. Dr. Friedman further declares that he then enters all actions received into his database, review of which also reveals no action items for this case. The Declaration further shows that Dr. Friedman has reviewed the contents of the file jacket of the above application and it does not contain the Office letter allegedly mailed by the USPTO on November 16, 2006.

Applicant never received such Office letter to date.

In view of the above, holding of Abandonment should be reversed. It is believed that this petition does not require a fee, but if one is required, authorization to charge Deposit Account 06-2140 is hereby granted.

Respectfully submitted,

---

In re Application of	:	
Yosi Bar-Erez	:	
Application No.: 09/581990	:	DECISION ON
Filing or 371(c) Date: 06/21/2000	:	PETITION
Attorney Docket Number: 1529	:	

This is a decision in response to the Petition to Withdraw Holding Abandonment, filed January 16, 2007. The petition is properly treated under 37 CFR 1.181. The delay in treating this petition is regretted.

This Petition is hereby **dismissed**.

Any further petition must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under [insert the applicable code section]." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

The above-identified application became abandoned for failure to timely and properly reply to the final Office action, mailed May 5, 2004, wherein the Examiner rejected claims 26-45, 51, 52, 55 and 56. The Office action set a three (3) month period for reply, and provided for extensions of time under 37 CFR 1.136(a).

Applicant filed a Notice of Appeal in response to the Office action on September 9, 2004, and Appeal Brief on January 3, 2005. The Examiner filed an Answer on March 21, 2005. The Board of Patent Appeals and Interferences ("Board") issued an Order returning the appeal to the Examiner on July 27, 2005, and the Examiner issued a Notice of Defective Appeal Brief on August 9, 2005. Applicant filed an Appeal Brief on September 7, 2005. The Examiner filed an Answer on December 5, 2005. The Board issued a Decision on November 16, 2006, affirming all rejections on appeal.

Applicant files the present petition and asserts non-receipt of the Board Decision.

Applicable Law, Rules and MPEP

The MPEP 711.03(c)A, Petition To Withdraw Holding of Abandonment Based on Failure To Receive Office Action, provides

In Delgar v. Schulyer, 172 USPQ 513 (D.D.C. 1971), the court decided that the Office should mail a new Notice of Allowance in view of the evidence presented in support of the contention that the applicant's representative did not receive the original Notice of Allowance. Under the reasoning of Delgar, an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action. That is, the reasoning of Delgar is applicable regardless of whether an application is held abandoned for failure to timely pay the issue fee (35 U.S.C. 151) or for failure to prosecute (35 U.S.C. 133). To minimize costs and burdens to practitioners and the Office, the Office has modified the showing required to establish nonreceipt of an Office action. **The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.** For example, if a three month period for reply was set in the nonreceived Office action, a copy of the docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. The showing outlined above may not be sufficient if there are circumstances that point to a conclusion that the Office action may have been lost after receipt rather than a conclusion that the Office action was lost in the mail (e.g., if the practitioner has a history of not receiving Office actions). (Emphasis supplied)

MPEP 711.03(c)

#### Analysis

Applicant has failed to demonstrate that the Office communication was not received. Applicant must, in addition to stating that the Board Decision was not received, also state that a search of the file jacket and docket records reveal that the Board Decision was not received, and provide a copy of the file jacket and docket records to this Office. The petition is dismissed without prejudice. Applicant should file a Request for Reconsideration of Petition and include the necessary statements and copies of docket records and file jacket.

It is also noted that the correspondence address of record indicates that the Board Decision was mailed to Applicant care of Bill Polkinghorn at Discovery Dispatch. Applicant is advised that the statement of non-receipt must be from a person with firsthand knowledge of the non-receipt, in this instance, the person receiving Applicant's correspondence at Discovery Dispatch. Finally, it is again noted that the showing outlined above may not be sufficient if there are circumstances that point to a conclusion that the Office action may have been lost after receipt rather than a conclusion that the Office action was lost in the mail.

DECLARATION IN SUPPORT OF PETITION

I, Bill Polkinghorn, of 9003 Florin Way Upper Marlboro, Maryland, declare as follows:

1. Since September 2001, I have been the local correspondence address of Mark M. Friedman of Tel Aviv, Israel on all U. S. Patent and Trademark applications filed in the USPTO on which he is the attorney of record.
2. My duties and responsibilities as the local agent of Dr. Friedman are to receive and forward all mail address to Dr. Friedman at the above address. I am the only one occupying the above address, and as such, personally receive the mail addressed to Dr. Friedman. I then package all the mail, and hand-deliver it to a DHL courier who picks it up from me personally to send to Dr. Friedman in Israel, and notify him of the DHL waybill number.

3. I declare that as of September 2001, I personally have forwarded all the mail addressed to Dr. Friedman.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

DECLARATION IN SUPPORT OF PETITION

I, Mark M. Friedman, of 7 Haomanim Street, Tel Aviv, Israel, declare the following:

1. Since September 2001 I have been using the services of Mr. Bill Polkinghorn, of Discovery Dispatch, 9003 Florin Way, Upper Marlboro, Maryland, as my local correspondence address in the U.S. Patent and Trademark application of which I am the attorney of record.
2. As my local correspondent, I instructed Mr. Polkinghorn to receive all mail addressed to me at his address above. The mail I receive at Mr. Polkinghorn's address includes mail from the USPTO. Mr. Polkinghorn routinely ships all the mail addressed to me by courier and notifies me by telefax of the airbill number.
3. Based on receipt of all courier airbills I was advised of, I can state that all courier shipments that Mr. Polkinghorn has shipped to me have been received, and none has ever not been delivered.
4. I personally open the shipments received from Mr. Polkinghorn, and immediately and routinely record all actions received in my Hand Docketing Report. Immediately thereafter

all items received are entered into the computer database. Attached herewith is a true copy of all entries on my computer database made on Serial No. 09/581,990, identified by my docket 1529/7. No entry of docketing of the Office letter of November 16, 2006 appears thereon. This indicates that I never received said Office letter for the above entitled application.

5. I have also reviewed the content of the file jacket of the above-identified application and it does not contain the Office letter allegedly mailed by the USPTO on November 16, 2006.
6. Additionally, I have checked my Hand Docketing Reports from the period of November 16, 2006 until December 18, 2006 and no Office letter for the above application appears. In order to clarify this report: "**File#**" relates to our file reference number, in this case 1529/7; the first "**Date**" indicates the mailing date, "**(m)**" refers to the number of months for responding to action; "**@**" indicates that the item has been docketed; "**Attny**" has the initials of the Patent Attorney appointed to handle the case; the second "**Date**" shows the due date for responding to the action. This Report is divided according to the action: Office Actions, PCT Search Reports, Allowances, PCT Written Opinions, etc. According to the Hand Docketing Reports, the Office letter was never received by the undersigned.
7. I further declare that I have reviewed the database of all actions docketed – copies of new entries entered in the database between November 16, 2006 and December 18, 2006 - enclosed herein. This report is a printout of all items docketed in the period of time that the Office letter would have been docketed had it been received. As is evident from the attached docket sheets, no entry of docketing was made, and there is no record indicating receipt of a USPTO Office letter that was mailed November 16, 2006.
8. I declare that the Office letter was not received: I have searched the file jacket, hand docket records and computer database, and these indicate that the Office letter was not received.

9. As such I can state with reasonable certainty that I never received such Office letter with respect to this application at any time between November 16, 2006 and December 16, 2006.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
